

TOILET ACCELERATOR

INDIA EDITION

Do you have a business or business idea for toilet innovations and service models, circular economy waste management and resource recovery, or mobile, digital and e-health applications for sanitation in India?

Apply for over 100,000 Euro in support from global brand companies by 10 July 2017!

The Toilet Accelerator *India Edition* challenge calls for applications from businesses that are addressing the most challenging water and sanitation issues in the country.

Top 3 winners will be announced at the 9th Sankalp Global Summit from 6-8 December, 2017 in Mumbai. The winners will receive over 100,000 Euro of in-kind support from leading companies over a 12 month period, as part of the 2018 Toilet Accelerator cohort of the Swiss based Toilet Board Coalition. The Toilet Accelerator Program provides expert mentorship and support, as well as access to the TBC-Sankalp investor networks. The Toilet Board Coalition is supported by some of the largest multinational corporates like Firmenich, Lixil, Kimberly Clark and Unilever.

APPLY HERE!

Challenge will close 10 July, 2017.

The Toilet Board Coalition brings together experts from business, investment, and the global sanitation community through our platform to cross-fertilise experiences, innovate at all levels, and catalyse the growth of profitable sanitation businesses that deliver sanitation to all. The Toilet Accelerator is a corporate accelerator program to facilitate private sector engagement and mentorship to sanitation businesses and entrepreneurs serving low-income markets. *For more information on the Toilet Board Coalition, please visit the [website](#).*

Sankalp Forum is one of the largest platforms promoting innovation and entrepreneurship in emerging markets and building the ecosystem for business-led inclusive development. Over the past nine years, Sankalp has showcased over 400 sustainable enterprises across India, Africa and Southeast Asia, enabled 500+ mentoring connections and facilitated over USD 240Mn of equity investments. *For more information on Sankalp Forum, please visit the [website](#).*
